FUSIONCORE MISSION CONTROL REPORT

Command-grade operational review generated from a saved mission CSV snapshot.

GENERATED AT	SOURCE SNAPSHOT	RUNS INCLUDED
2026-11-17 20:19:09	fusioncore_run_2026[illegible]	1

EXECUTIVE SUMMARY

The report is generated from a saved CSV snapshot first and then rendered into PDF. Intruder detections and assigned-drone telemetry remain separate throughout the pipeline. If older source runs do not include drone-side telemetry, those values are marked unavailable.

RUNS ANALYZED

1

Mission CSV runs included in this report.

INTRUDER DETECTIONS

0

Unique hostile track detections across included runs.

ASSIGNED DRONE DETECTIONS

0

Unique defender telemetry records captured from GCS la...
