SOURCE SNAPSHOT

fusioncore_run_2026

RUNS INCLUDED

1

EXECUTIVE SUMMARY

The report is generated from a saved CSV snapshot first and then rendered into PDF. Intruder detections and assigned-drone telemetry remain separate throughout the pipeline. If older source runs do not include drone-side telemetry, those values are marked unavailable.

RUNS ANALYZED

1

Mission CSV runs included in this report.

INTRUDER DETECTIONS

0

Unique hostile track detections across included runs.

ASSIGNED DRONE DETECTIONS

0

Unique defender telemetry records captured from GCS la...

AVERAGE RESPONSE

Unavailable
